Mr. [REDACTED]

Re: Your request for investigation of Bonnie E. Saltzman, [REDACTED]

Dear Mr. [REDACTED]:

I am aware that you have emailed Ms. Yates requesting a review by the Legal Regulation Committee of the dismissal of the above-noted matter. As you were previously advised, submissions made via email to Ms. Yates will not be reviewed and I have not reviewed your most recent submission or its attachments.

A review of this dismissal by the Legal Regulation Committee is not available under the Colorado Supreme Court rules. Pursuant to Colorado Rule of Civil Procedure 242.13(b)(3), a decision made at intake to dismiss a request for investigation is final and a complainant is not entitled to further review or appeal. This matter remains closed and dismissed.

I understand you have also requested accommodations under the ADA. As you have nothing currently pending with this office, there is presently nothing for us to accommodate.

Sincerely,

April M. McMurrey
